

# GLADSTONE CAMERA CLUB

## COMPETITION RULES

Competitions will be held monthly with the exception of January, November and December. Photo of the Year will be judged in November.

There will be two competition themes each month which will be listed on the club website, together with the date they need to be submitted.

All entries will be projected:-

Maximum file size is 1.5MB with sRGB colour space in jpeg format

Maximum size of DPIs to be 1920 pixels wide and 1080 pixels high

When entering images they should be named with the theme, image title, your membership number eg:-

O-As the sun rises35.jpg

For an entry in the Open theme

N-Fly high35.jpg

For an entry in the Nature theme

## RULES

- 1 Members may submit two entries per section.
- 2 All photography and post processing must be wholly the work of the entrant.
- 3 Any image (or very similar ones) that have received an honour, merit or highly commended, must not be entered again in any other club competition.
- 4 Only financial members may participate in club competitions.
- 5 All entries must be taken within a period of 5 years prior to the date of the competition.
- 6 Competitions will be judged by accredited or understudy judges with the Photographic Society of Queensland, or similar organisations in other states. Awards will be allocated as Honour, Merit, Highly Commended or Acceptance. A judge may choose to not accept an image if it doesn't fit the theme.
- 7 Images may be enhanced using software, plugins, adding texture, replacing sky, or other post processing manipulation. However, when adding effects such as texture, new sky, or doing composites, all components must be images taken by the entrant.

All images which receive Honour or Merit during the year, will be sent to a judge to choose Photo of the Year, best Scape, best People/portrait and best Animal shot.
